

## **King Soopers Loyalty Cards Give Back to Steele**

King Soopers donates a portion of sales to Steele every time you use your LOYALTY card. All you have to do is connect your loyalty account to Steele. Simply go to <http://www.kingsoopers.com> and log in to your account. After you are logged in, click on My Account, then community rewards and search for Steele Elementary School either by name or EG710 and then click Enroll. New users will need to create an account which requires some basic information, a valid email address and a loyalty card. If you don't have a loyalty card, you can get one at the customer service desk. If you are one of our wonderful families that has been raising money for Steele using the reloadable gift cards - thank you! The gift cards have no expiration. Any funds loaded before March 31, 2019 will still credit Steele. After April 1, 2019 they will be the same as cash with no link to Steele. Please connect your loyalty card to Steele - it is so much easier than loading a gift card! We estimate that Steele will make at least \$5000 this year when our community shops for groceries at King Soopers!
