

Keeping Steele Elementary Strong

Last year we raised over \$87,000 to fund second educators in every classroom in Steele Elementary. On behalf of the Steele community, a heartfelt thanks to everyone who helped make this possible.

Let's continue to keep Steele a thriving neighborhood school by giving our students the classroom attention they need by raising another \$87,000 this school year.

Exceptional Results *and* Exceptional Value

The Stallion Fund's main objective is to raise money to fund 2nd educators in every classroom. When compared to private neighborhood schools, Steele Elementary is delivering exceptional teacher to student ratios in our classrooms.

We are asking returning families to match what they gave last year, or better yet, to increase their giving amount. New families can learn more about the Stallion Fund and are asked to consider giving to our school.
